"My journey at Oxford Public School, Kandivali West has been truly transformative. The unwavering support and encouragement from my teachers and mentors have played a significant role in shaping my passion for martial arts. The school provided me with numerous opportunities to grow, both academically and personally.

Winning the State Gold Medal in SQAY Martial Art (2022-23), securing 28 gold and 4 silver medals, earning DAN 1 and 2 degree certifications, and receiving the esteemed Bhavans College Kulpati Award would not have been possible without the constant motivation and guidance I received here as a learner in my foundational years.

I am forever grateful to Oxford Public School for nurturing my potential and instilling in me the values of perseverance and dedication. The memories and lessons I carry from my school days will continue to inspire me in all my future endeavors."
