Batch of 2022–2023 | Class 10 Topper (98.00%)

I am Priyanka R. Agrawal and I appeared for the Class 10 Board Examinations in March 2023, securing an exceptional score of 98.00%. I had the privilege of being the school topper for the academic session 2022–2023 at *Oxford Public School*.

Having joined the institution in 2013, I spent a decade immersed in an environment that was intellectually stimulating and personally transformative. The journey has been immensely rewarding, leaving me with cherished memories and invaluable life lessons.

What distinguishes Oxford Public School is its exemplary faculty and dedicated support staff. The educators consistently exhibited unwavering dedication, fostering a culture of academic excellence, integrity and diligence. Their mentorship, encouragement and personalised guidance were instrumental in shaping my learning journey.

Beyond academics, Oxford offered a vibrant platform for holistic development. The wide spectrum of events and co-curricular engagements enriched our experiences and nurtured essential life skills, creativity and confidence.

I am profoundly grateful to have been a part of such a visionary institution. The values instilled, the knowledge acquired and the friendships forged here will forever remain a cornerstone of my identity.
