

OXFORD PUBLIC SCHOOL
Sector No.5, Charkop, Kandivali(W), Mumbai - 67.

SECONDARY SECTION

Circular no- OPS/SEC/GEN/40/2026-2027.

Date- 5th August, 2026.

Dear Parents

Greetings!

As a part of Akshay Urja Divas activity, Oxford Public School, in collaboration with Jai Hind College's DotCom Club, is organizing an E-Waste Collection Drive to encourage responsible disposal and recycling of electronic waste.

Students are requested to bring unused or non-functional/unrepairable electronic items from their homes and deposit them in the designated E-Waste Collection Bins that will be placed on the school premises.

Examples of acceptable unrepairable e-waste include:

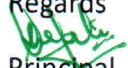

- Mobile phones
- Chargers and cables
- Earphones/headphones
- Keyboards and computer mice
- Remote controls
- Batteries
- Small electronic accessories

The collected e-waste will be responsibly recycled by our recycling partner, Green India, ensuring environmentally safe disposal.

We are also proud to share that DotCom Club successfully collected and recycled over 2 tonnes of e-waste during the 2025–2026 drive, contributing significantly towards environmental conservation. We hope to build on this success with your support and participation.

Kindly ensure that only unused or non-functional electronic items are submitted.

Your cooperation in this initiative will help promote environmental awareness and responsible e-waste management among our students.

Regards

Principal
